“It is great to be back in the Valley. I am grateful to work with the Red Wave to support Fresno State’s 400+ student-athletes as they strive for excellence in the classroom, in competition, and in life!”

Where Your Contribution Goes

Creating championship experiences for Bulldog student-athletes begins with funding scholarships. With 18 sports, 326 students receiving athletic aid and the increasing annual cost of attendance, the challenge to raise the needed scholarship dollars is greater than ever. Every contribution made helps us close the gap between what we raise each year and the total cost of scholarships.

Every dollar given makes an impact towards our mission.

MARVIN AND TISH MEYERS CHAMPIONS CIRCLE

The “Meyers Champions Circle” is an exclusive philanthropic giving society designed to maximize the resources for Bulldog student-athletes and improve the landscape of Fresno State Athletics. The Meyers Champions Circle is designed to honor donors whose major gift commitments rise above and beyond their annual giving requirements for seats and parking.

Membership in the Meyers Champions Circle requires a philanthropic “major gift” of \$25,000 or more paid within a five-year period. These gifts can be directed to Capital Projects, Endowments, or Specific Sports.

To learn more about the Meyers Champions Circle or other opportunities to impact Fresno State student-athletes, please contact the Bulldog Foundation at 559.278.7160 or visit bulldogfoundation.org.

Priority Points

The Priority Point System recognizes Bulldog Foundation Members and is used to determine priority for season ticket and parking assignments, away game football tickets and post-season events including bowl games. Our goal is to equitably recognize support made through the Bulldog Foundation and to reward those who have helped Fresno State student-athletes.

Current Year Support

(5 points per \$100)

Scholarship Fund points are based on current year pledge and all non-scholarship points are based on payments received in the 12 months prior to point calculation.

Historical Giving (\$)

(2 points per \$100)

All Bulldog Foundation support from 1992 not included in Current Year category.

Football Suites

Points are awarded for total suite cost less ticket value in the Current Year Support and Historical Giving categories (dating back to 2005).

Historical Giving (Years)

(2 points per year)

Points are assigned based on consecutive years supporting the Scholarship Fund from current year back to 1992.

Season Tickets Purchased

(5 points per sport)

Current Year purchase in any sport.

Former Bulldog Student-Athlete

(50 points)

One-time points for letter winners.

Former Volunteers

(2 points per year)

Points per year of volunteering on BDF Fund Drive.

Important Notes

- Our records allow us to recognize support from 1992 to present. Member ranking is based on Priority Point total as long as all minimum support requirements for tickets and/or parking are met.
- Customers must have a current Red Wave (\$100) or higher membership in the Scholarship Fund to accumulate points.
- Priority Points are calculated prior to seating assignments and special events.
- Priority Points are non-transferable.
- If a member cancels their current Bulldog Foundation Membership they have no points. If they rejoin at a later date they receive all historical points for which they are eligible.
