## Dear Bulldog Foundation Members,

As I reflect on my first six months as your Director of Athletics, I am both humbled and energized by the incredible passion and commitment of the Red Wave. This fall season has shown me what makes Fresno State—and the Valley—so special: a community that rallies behind its student-athletes with unmatched pride and support.

### A New and Exciting Era in Bulldog Football

The future of Fresno State Football is brighter than ever as we usher in a new era under the leadership of Coach Matt Entz. Matt and his family have already embraced the Valley, and he is working tirelessly to build a coaching staff and a team that will honor our proud traditions while striving for new heights. His championship pedigree and values align perfectly with what it means to be a Bulldog. I can't wait to see the program take the field and make us all proud as we begin this exciting journey together.

### Your Impact: A Record-Breaking Year for the BDF

Thanks to your generosity and belief in Fresno State Athletics, the Bulldog Foundation achieved a record year in fundraising. You've helped us invest in our student-athletes' academic success, health and well-being, and competitive growth. On behalf of our entire department, thank you.

That said, as we prepare to join the **Pac-12 Conference**, our work is just beginning. While we are celebrating a banner year, we will enter the Pac-12 as one of the least resourced programs in the conference. Competing at this level requires us to keep growing and evolving. The Bulldogs need all of us to step up and close the gap, ensuring our student-athletes have every opportunity to succeed on the biggest stages.

### A Changing Landscape in College Athletics

College athletics is changing at a rapid pace. New challenges—like revenue sharing, Name, Image, and Likeness (NIL), the Transfer Portal, and legal cases like House v. NCAA—require us to think differently and adapt quickly. We cannot tackle these challenges alone. Now, more than ever, we need the unwavering support of our Bulldog community to remain competitive and resilient in this evolving landscape.

## What We've Accomplished Together

In just four months, we've made bold strides that signal a promising future for Fresno State Athletics:

- Securing our place in the **Pac-12 Conference**, a transformational move for the university and the Valley.
- Welcoming Matt Entz to lead Bulldog Football into a new era of success.
- Seeing record-breaking attendance across our venues, a testament to your pride and passion.

While we celebrate these achievements, we know the work ahead is critical.

### Looking Ahead: A Call to Action

Our future will be defined by the choices we make today. Our goals are clear:

- To set new records in fundraising, ensuring our programs are resourced to compete and win.
- To develop a strategic plan that will guide Fresno State Athletics with measurable goals and accountability.
- To position Bulldog Football, and all of our programs, for long-term success, knowing the next few years will define our trajectory in the Pac-12 and beyond.

None of this is possible without you. Every contribution—large or small—makes a difference. Your support fuels scholarships, improves facilities, enhances the student-athlete experience, and drives the success of Fresno State Athletics. Together, we will rise to meet the challenges ahead and position our Bulldogs for greatness.

Thank you for your dedication to Fresno State and for believing in what we can achieve—together. Let's make this year even more impactful.

# WHERE YOUR CONTRIBUTION GOES

Creating championship experiences for Bulldog student-athletes begins with funding scholarships. With 18 sports, 308 students receiving athletic aid and the increasing annual cost of attendance, the challenge to raise the needed scholarship dollars is greater than ever. ## CELEBRATING 75 YEARS OF EXCELLENCE

In 2025, the Bulldog Foundation proudly celebrates a monumental milestone, the 75th Platinum Jubilee Anniversary of being “the team behind the teams.” For three-quarters of a century, the foundation has played a pivotal role in fostering the success, growth, and legacy of Fresno State Athletics, propelling student-athletes toward excellence in the classroom, in competition, and in life.

Founded in 1950, the Bulldog Foundation was established to provide essential financial support to the athletic programs for Fresno State student-athletes. Over the years, this vision has flourished, becoming a necessary piece of the university’s athletic department. The foundation has grown from a scholarship fund into a multifaceted resource through capital projects, endowments, sport-specific support, and legacy-planned gifts, giving Bulldog athletic teams what is needed to compete at the nation’s highest level.

All of this has been achieved by the goodwill and generosity of its donors, alumni, the Red Wave, and all fans of the Central Valley. Please join us in celebrating 75 years of memories, accomplishments, and championships. As the Bulldog Foundation looks forward to the next 25 years and our 100th Jubilee anniversary, we will continue our commitment to developing student-athletes, ensuring they leave Fresno State as champions and future leaders in their respective fields.

# **ASCENSION** **TO THE PAC-12**

A historic and transformative moment for Fresno State Athletics is on the horizon. As many know, our inclusion into the prestigious Pac-12 Conference is a monumental step for our athletic programs. It begins a new era for our student-athletes, coaches, and the Red Wave. This results from hard work, dedication, a relentless attitude, and a shared vision for success that has spanned generations of Bulldog student-athletes.

The Pac-12 Conference possesses a rich history of athletic prowess, and prestigious academics, which gives student-athletes an unrivaled opportunity to become the best version of themselves on and off the field of competition. Joining this prestigious conference will ascend Fresno State Athletics to new heights, continue providing a world-class education for student-athletes, and an opportunity to represent the Central Valley nationwide.

As we prepare for our inaugural Pac-12 season in 2026, we need the continued support of the Red Wave to ensure that our athletic programs have the resources to succeed at a high level. Whether you are a current Bulldog Foundation member, a new or former supporter, or someone looking to get involved for the first time, your contribution, of any level, will create and make an immediate and lasting impact on Fresno State Athletics.
